## WHALES AND DOLPHINS CRUISE

### OPEN SEA CRUISE (A 10 HOURS CRUISE)

Leave to meet the fascinating universe of the sea giants with the naturalist team Découverte du Vivant : this is the occasion to become aware of the marine world's wealth. It is around large ocean trenches of the Golfe du Lion that we can observe 4 species of Dolphins, the Sperm Whale and the Fin Whale : the second largest Whale in the world. The naturalist and photographer team will animate all along the trip.

A conference is organized about the presentation of the different species of cetaceans, their biology and their protection in the Mediterranean. A report with pictures of the day trip will be proposed by mail to the participants.

Every Saturday from July 6th to August 31st: 9 am to 7 pm

(off season from April 1st to October 31st refer to the schedule)

\*\*Adult : 82€ / Teenager and student : 68€ / Child (5 to 11 years) : 57€

### What species can we observe during the cruise ?

TRUE WHALE : Fin Whale

DOLPHINS : Sperm Whale, Stripped Dolphin, Risso's Dolphin, Pilot Whale, Bottlenose Dolphin.

FISHES : Sunfish, Mobula rays, Swordfish, Bonito, Tuna, Albacore, Flying fish, Blue shark.

BIRDS : Seabirds and migrating terrestrial birds.

TURTLE : Longgerhead turtle

\*\*Meals are not included in the price, a snack-bar is available on board.

We navigate to meet wild animals and therefore, we can never guarantee surely their observation. However, every year and on average, we observe whales and/or dolphins for 95 % of the watching trips. The captain and naturalist team are certified High quality whale watching for the greatest respect of animals.
